

# Xona Maxima Suspension Rod

## Product information "Xona Maxima Suspension Rod"

Suspension rope for LED linear light system

Adjustable and cuttable steel rod with metal clamp and ceiling mount for pendant installation of the linear trunking system. Suspension mounting brackets have been designed to allow maximum ease and speed in installation. The position of the mounting bracket can still be changed once clicked onto the trunking, this ensures maximum flexibility. All brackets are simply clicked on the trunking. A maximum suspension span of 3m ensures quick and easy installation with fewer suspension points.
