

Spila MKII round 600 15-830-1200LM switch

Product information "Spila MKII round 600 15-830-1200LM switch"

LED Mirrorlight

Spila is a stylish LED mirror light from Litegear®. Waterproof version, perfect for bathrooms and dressing rooms. Spila has a sleek and timeless shape and is made of splash proof plastic. The opal light cover has a wide light distribution and a low glare rate. Spila is available in different length and in different CCT light colors. We can offer this nice luminaire also with an integrated German Schuko power socket. Long lifespan due to LED chip technology. High luminous flux. Integrated power supply and easy installation with included screws and dowels for wall installation. White end caps included, chrome caps sold separately.
